7. Fixture Meeting

Fixtures for the subsequent season shall be confirmed and adjusted if necessary at a special meeting, which all clubs must attend. Failure to attend, unless there are exceptional circumstances, will necessitate the teams in question accepting any changes to their fixtures as decided at that meeting.

LEAGUE ORGANISATION

8. General

8.1. The League shall consist of Competitions as agreed at the preceeding AGM and the format of these Competitions shall be subject to the Regulations agreed by the F&GP. These Regulations shall specify the format of teams, order of matches and scoring regulations. The composition of the Divisions will be agreed at an F&GP Meeting prior to the fixture meeting.

8.2. Divisional placings shall be determined by the number of sets won in fixtures with every set in the match scoring one point for or against each team. Should the total number of sets won be equal, the team with the greater difference in sets won and lost shall be placed higher in the Division. In the event of the teams still being equal, the greater number of sets won in the matches between the clubs shall determine the higher placing.

8.3. At the end of each season, promotion and relegation shall be decided by the F&GP Committee.

8.4. Prior to the Fixture Meeting, the F&GP Committee may vary the composition of the Leagues/Divisions where promotion and relegation lead to an undesired or unbalanced composition which adversely affects a Club or Clubs. Also, should the number of teams in Divisions becomes unbalanced due to resignations from the League, the F&GP Committee may, prior to the fixture meeting, agree to change the composition of Divisions.

9. Fixtures

9.1. In the event of a Club having more than one team in the same Division, they shall be numbered 1, 2 (or A,B) etc in order of strength. League matches between teams from the same Club in the same Division must take place before 31st January of that season.

9.2. Matches must be played as agreed at the Fixture Meeting and as they appear on the Results Portal ([Wirral Badminton League \(bowlsresults.co.uk\)](http://WirralBadmintonLeague(bowlsresults.co.uk))).

9.3. Matches may only be postponed or re-arranged because of non-availability of the hall or exceptional circumstances. Exceptional circumstances do not normally include sickness, injury to players, match clashes with other leagues or social functions.

9.4. Unless there are exceptional circumstances, a team not fulfilling a fixture will be penalised by having points deducted from its Divisional points total up to a maximum of those available to one team in one match (see Regulations)

9.5. Notice of a proposed postponement must be given to the League Results Secretary by the offending team and approval to postpone obtained.

9.6. The Home Club's Match Secretary must re-arrange the match with the Away Club's match secretary.

9.6.1. The agreed new date must be confirmed, in writing (email, message, text), by the Home Club to both the opposing Away Club's Match Secretary and the League Results Secretary.

9.6.2. Any extra hall expenses incurred must be met by the offending Club.

9.6.3. The result of the match will be accounted for in the Divisional tables.

10. Matches

10.1. Teams composition, the events to be played, the number of sets in each event and the scoring system to be used shall be as described in the relevant Regulation.

10.2. Partnerships must be played in order of strength.

10.3. Captains of teams shall simultaneously exchange team sheets and agree the order of play for the match before the commencement of the first event. In the event of disagreement on the order of play, this will be set down in the appropriate Regulation.

10.4. Play shall be continuous and should any player be unavailable when called, then the event will be marked as lost, with scores appropriate for that competition's scoring format.

10.5. League games shall commence not later than 8.00 p.m. or at such earlier scheduled time stated on the Results Portal. Earliest permitted start time is 7.00 p.m.

10.6. All players must be present at the match venue within fifteen minutes of the scheduled start of play and players who arrive after that time may be disqualified, except that Captains may mutually agree in advance of a match to the late arrival of a player(s), but must agree a time limit. In the event of non-appearance after that agreed time limit the excused player(s) may be disqualified and no substitutions allowed.

10.6.1. In the event of a player(s) not present when required for his/her first event, another eligible player(s) may be substituted in the place of the absent player(s), subject to the approval of both captains.

10.7. Where a player(s) is incapacitated before his/her second/third event commences, then an eligible reserve substitution(s) shall be allowed in the second/third event to be played by that player(s) subject to the approval of both Captains. A full report, in writing, of the circumstances necessitating the substitution(s) must be sent to the Results Secretary within 2 days of the match.

10.8. No alteration shall be permitted to a team sheet except for a substitution as permitted in Rules 10.6 or 10.7.

10.9. Unfinished matches and reasons therefore must be reported to the Results Secretary within 2 days of the match. The F&GP Committee will decide any points penalty to be applied to teams with unfinished matches.

10.10. Visiting teams shall abide by the practices of the home Club with regard to "lets" and "faults", provided these are in accordance with the Laws of Badminton. The visitors shall be notified before the commencement of matches of any such circumstances likely to affect play.

10.11. All matches will be played with recognised feathered shuttles. A new shuttle of the same type must be provided at the commencement of each event. The F&GP Committee reserves the right to forbid the use of any particular type of shuttle.

10.12. Umpires and scorers may be appointed by mutual consent and their decision shall be binding.

11. Score-sheets

11.1. An official score-sheet shall be completed and signed at the conclusion of the match by both home and visiting Captains.

11.2. Details of the match, including players and scores, shall be entered on the online Results Portal ([Wirral Badminton League \(bowlsresults.co.uk\)](http://Wirral Badminton League (bowlsresults.co.uk))) by both Clubs within 48 hours of the completion of the match.

11.3. Any failure to provide match information in a timely manner is liable to incur a points deduction, to be decided by the F&GP.

12. Registrations

12.1. Each Club shall send a list of each team's registered players to the Results Secretary to arrive not later than the date of the Club's first league match of the season.

12.1.1. Where the club has more than one team in the same League, the players representing the higher team(s) must be identified. Club Officials are responsible for notifying players so registered.

12.1.2. Players registered for a higher team cannot play for a lower team unless they re-register (see 12.2.).

12.1.3. Failure to notify the Results Secretary of registrations may incur a points penalty.

12.1.4. Only members of a Club who are paying the full senior or junior subscription and have been registered for a minimum of 24 hours may represent it in a League match. (The 24 hour rule does not apply for the first match – see the preceding paragraph)

12.2. Re-registration of players between teams of the same Club may be made up to 31st January in any season. The Results Secretary must be notified, in writing, of the reason for the application for re-registration.

12.2.1 Players re-registered to a higher team may play immediately for that team, but players re-registered to a lower team will only be eligible to play at least seven (7) days after playing for the higher team.

12.2.2. Player(s) re-registered to a lower team cannot play for a higher team again during that season unless specific permission has been granted by the F&GP Committee for a player to be re-instated.

12.3. Additional registrations, including inter-club transfers, may be made at any time up to 31st January and will take effect seven days after receipt of notification by the Results Secretary.

12.4. During any one season a player may play a combined total of three times for higher teams than those for which he or she is registered. If a player plays four times for higher teams, then he/she will automatically be re-registered for the next higher team, and subsequent reinstatement to a lower team is not permitted.

12.4.1. If a player is automatically re-registered for a higher team, a player from the higher team may be re-registered for the lower team (subject to 12.2), but it is the Club's responsibility to arrange this re-registration.

12.5. No player shall play for more than one Club at the same time in an individual League; although a player may play for another club in a different League.

12.6. Requests for transfer from one Club to another shall be in writing, signed by the player and an Official of both clubs concerned, and sent to the Results Secretary.

BADMINTON IN WIRRAL

The Wirral Badminton League was formed for the 2004/05 season by an amalgamation of the three existing Leagues in Wirral – the Birkenhead, Hoylake and Wallasey Leagues. The move was considered necessary due to the declining number of teams still playing – in season 2003/04 the number of Divisions/Teams in those leagues was Birkenhead 4/28, Hoylake 3/20, and Wallasey 2/11. These contrast with figures of 7/54, 8/64 and 4/33 respectively at the height of the game’s popularity 20 years previously. In its first season the Wirral League commenced with 7 Divisions and 55 teams. In 2016/17 season the totals were 5 and 43 respectively.

Whilst the amalgamation was probably inevitable it was sad to see the original leagues winding up after providing competitive badminton to so many players over the years. All the leagues had been in existence for over 50 years – indeed the Wallasey League was originally founded in 1926, and re-started after the war in 1948. The Birkenhead League was formed in 1946 and the Hoylake League in 1948, we hope the Wirral League is also still going strong after 50 years.
